

## MUST PROVIDE \$50 A MONTH FOR CHILD'S SUPPORT

DEFENDANT IN CASE OF MOORE  
VS. MOORE RECEIVES NO  
ALIMONY.

In publishing the decision rendered in the divorce case of Francis C. Moore vs. Lulu C. Moore in yesterday morning's Bonanza, an error was made in the statement regarding the sum of \$50 which was awarded the defendant. The article stated that this sum was awarded as alimony, but in fact is for the purpose of supporting the minor child.

The section of the court's decision relating to this subject is as follows:

"That said plaintiff is commanded to pay into this court for the support of the said minor child the sum of \$50 per month, payable on or before the twelfth day of each month and that the said defendant, while having the custody of the said minor child, under this decree, shall account to this court for the expenditure of the said amount, or such part thereof as may be needed for the support of said minor child, and that any portion of such amount not thus accounted for shall be returned to the plaintiff. That the said minor child shall be required to attend school by the said defendant, who shall report in writing on the fifteenth day of each month to this court concerning said attendance at school and any absence of such child from school and the reason therefor.

"The right is hereby reserved by this court to apply such portion of the said sum of \$50 per month to be paid as aforesaid by the plaintiff for the support of said minor child, to the support of the defendant herein, whenever, said defendant being unemployed, such application of said sum shall be necessary to the proper care of said minor child by said defendant."

## NEW DISTRICT BEING OPENED UP IN SMITH VALLEY

FIRE CHIEF W. J. SINCLAIR SAYS  
DISTRICT HAS STRONG  
SURFACE LEDGES.

Fire Chief W. J. Sinclair, who returned the other day from a trip to the Smith valley territory in Lyon and Douglas counties, brought with him a sack full of ore which was taken from the surface of a number of ledges running through that district. Many of the samples show good values in copper and lead.

The district is described by Mr. Sinclair as an entirely new one and has heretofore been neglected by the prospector.

Many ledges outcrop in the territory visited by Mr. Sinclair which show copper, lead and gold, the copper predominating.

## NEW RECRUIT ADDED TO FORCE ON CHAIN GANG

GEORGE BOND FOUND GUILTY  
OF STEALING TOOLS FROM  
KENDALL MINE.

George Bond, an Austrian with an American name, graced the prisoner's bench yesterday afternoon in the justice court on a petty larceny charge. He was accused of stealing tools from the Tonopah Kendall Mining company, situated east of town, and in fact admitted selling the articles in dispute to Avery, the second-hand man, who some time ago was found guilty in the district court of receiving stolen goods, but managed to regain his liberty on a writ of habeas corpus.

Bond was found guilty and sentenced to pay a fine of \$75 with the alternative of spending thirty-seven and one-half days in the county jail. Owing to him not having the necessary \$75 he will grace the chain gang for the next five weeks.

## TONOPAH ELKS' ANNIVERSARY BALL WAS GRAND EVENT

In Gorgeously Decorated Ball Room the Antlered Herd Make Merry Until the Wee Hours of the Morning.

When one stepped inside the Miners' Exchange hall last evening, one thought for a minute he had been transformed from the desert country to a place leagues away, where green fields abound and babbling brooks are regarded as nothing out of the ordinary.

Did you ever hear of a fountain existing out here on the desert? Hardly. But if you attended the Elks' grand anniversary ball last night you would have had the pleasure of gazing on what we thought existed only in story books. The east end of the hall had been converted into a scene that somewhat resembled the courts of the ancient Andalusian homes (if we remember our history correctly) and surrounded by green plants of every description, a fountain somewhat miniature to be true, was throwing numerous streams of water to a height while colored lights shining on the falling waters presented a sight that drew forth exclamations of admiration from all present.

The walls were decorated with sunbursts of purple and white, the color of the order, and the center of each was adorned with a huge Elk's head alternating with the American colors.

Arches of every description had been placed overhead from which were strung thousands of yards of purple and white crepe paper. A minute description is impossible but it is safe to say that Captain W. K.

Wise, who is responsible for the appearance of the hall, is satisfied with his efforts, and to him great credit is due.

From appearances, all Tonopah was present; the ladies in evening gowns and the gentlemen in their full dress costumes. The dancing continued until 11 o'clock when the music ceased in the midst of a waltz. At the same time the lights were dimmed and with a splendid electrical effect a huge clock at the south end of the hall was illuminated with the hands pointing to 11, the hour when the absent brothers are remembered. A general air of expectancy was felt by the assemblage and as the stroke of eleven was sounded throughout the hall, with one voice, "Auld Lang Syne" was sung by the members of the order with the ladies assisting. It was an impressive ceremony.

Dancing was resumed and kept up until a late hour this morning when with regret the lovers of the terpsichorean pastime wearily sought their homes.

During the evening a telegram was read from the stray Elks of the Bullfrog district, sending their best wishes and regretting that they were unable to attend. The dispatch was signed by Irving Macdonald. These stray antlered ones had gathered at the Hotel Holland at Pioneer around a banquet table, also celebrating the anniversary of Tonopah Lodge, No. 1062.

## MANY LEASES BEING GRANTED AT LUCKY BOY

RALPH WARDLE RETURNS FROM  
A VISIT TO THE NEW CAMP  
NEAR HAWTHORNE.

Ralph Wardle, the mining man who is interested in property in the new Lucky Boy district, returned to Tonopah yesterday evening. Speaking of the conditions there Mr. Wardle said:

"The ore in the bottom of the shaft, now 400 feet deep, is better than ever and over three feet of it without sorting gives returns of more than \$100 per ton.

"The output at present is eighty tons each day and from appearances this can be kept up indefinitely. Assays of 1100 ounces of silver and 13 per cent lead have been obtained from picked samples. Some of the ore also contains copper.

"Many leases are being taken and the future outlook is encouraging."

The number of arrivals to the Lucky Boy district continues to tax the capacity of the lodging houses in Hawthorne to the limit and many new buildings are planned.

## EAGLES ARE PREPARING FOR BIG SMOKER

GOOD TIME IN STORE FOR MEMBERS OF THE AERIE AT  
COMING MEETING.

The Fraternal Order of Eagles are preparing for a great blowout at their meeting on Friday, April 30. A special dispensation has been received and the local aerie will institute a large class this evening and also a large class at the following meeting. The last initiations will be followed by a smoker and a general good time. Members of the order from the various adjoining cities will be present and assist in the work.

Kid Krant and George Odell will fight six fast rounds at the Casino tonight.

Fresh pastry daily at City Bakery. Opposite Tonopah Club. 3-19-11

## ANOTHER VICTIM OF C. D. VAN DUZER REPORTS A LOSS

WRITES TO HARRY EPSTINE  
ASKING INFORMATION ON  
SEVERAL COMPANIES.

Broker Harry Epstine yesterday received a letter from a person residing near Los Angeles, asking for information concerning several stock companies that are supposed to be operating in this vicinity. The letter is as follows:

Dear Sir:—I am the owner of 2500 shares of the Tonopah-Los Angeles and Salt Lake Mining, Industrial and Exploration company of which some fellow named Van Duzer is president; 2500 shares of the Eastern Tonopah Mining company, president R. B. Miller; 157 shares of Gold Mountain Tonopah Mining company, president G. Parlyl Jerome; 240 shares of Bornite Copper Mining company of Helena, Montana, president J. B. Helms.

"I heard some time ago that these companies were going to consolidate with others, but of late have received no more information concerning the merger. If you could give me any information concerning this matter, would greatly appreciate the same. Respectfully yours,

In answer to the communication, Mr. Epstine sent the following reply: "Referring to your favor of April 19th, I beg to state that the various companies which you mention in your letter with the exception of Bornite Copper company are at the present time dead ones. In fact I have never heard of the Eastern Tonopah Mining company or the companies of which Van Duzer is president. There is a Tonopah Gold Mountain Mining company, but no Gold Mountain Tonopah Mining company. The copper company mentioned I know nothing about."

Mr. Epstine's diagnosis of the Van Duzer properties is correct, for every scheme that gentleman has been connected with has turned out to be a "dead one." It appears that he floated a number of companies besides the New England Tonopah and all were of the "wild-cat" variety.

NEW COMPANY INCORPORATES. Articles of incorporation were filed yesterday in the county clerk's office for the F. G. M. Mining company, which has its principal office in Reno. The company is capitalized for \$100,000 and is incorporated by J. B. Giffen of Manhattan, Ernest R. Sharpe and Robert M. Price of Reno.

## PERSONAL

H. W. LaLime, the Manhattan mining man, came in from the north yesterday.

Harry C. Price, after an absence of several months returned to Tonopah Wednesday.

F. T. Armistead, the Tonopah and Goldfield railroad man, returned from Goldfield yesterday evening.

Thomas G. Murphy, who has been in this city and Goldfield for the past few days on business, returned yesterday to Helena.

W. W. Charles, comptroller of the Tonopah Mining company, after a month's absence spent in the east, has returned to this city.

R. T. Harris, cashier of the Nevada First National bank, left yesterday for San Francisco, where he is called on banking business.

Hon. J. B. Giffen speaker of the house of the last assembly, arrived yesterday from Reno and will continue on to his home in Manhattan today.

Phillip Starr, of Pasadena, California, who is largely interested in mining in the Bullfrog and other southern Nevada mining districts, was among the arrivals in Tonopah yesterday.

NOTICE TO VOLUNTEER FIREMEN.

All volunteer firemen will report at the ball park Sunday at 9 a. m. One grand prize.

## WHY NATIONAL BANKS ARE BEST

**B** They are subject to regulation and control by the United States Government.  
**e** They are frequently examined and their affairs reported on by officers of the Government.  
**c** They must furnish sworn reports, when called for, to the Comptroller of the Currency. These reports are verified at each examination.  
**a** They must obey the laws of the United States.  
**u** On the grounds of safety and conservatism we invite your business.

Nevada First National Bank of Tonopah  
UNITED STATES DEPOSITORY

## REPRESENTATIVE OF NEW POWDER COMPANY HERE

WILL GIVE A PRACTICAL DEMONSTRATION OF EXPLOSIVE TODAY.

August Cordes, representing the Pacific Steelite company, with headquarters in San Francisco, is in Tonopah investigating the field for the sale of the explosive manufactured by his company and if conditions warrant will organize a company and build a plant for its manufacture.

Steelite, which was first produced in Germany, is represented by Mr. Cordes as being not only as powerful, but is absolutely without any of the unpleasant powder smoke and gases of dynamite, besides being safer to handle.

Sometime this afternoon Mr. Cordes will give a practical demonstration of how his powder acts when used.

## SECURES JUDGMENT AGAINST P. A. MCCARRAN

George F. Blakeslee yesterday received judgment in the justice court against P. A. McCarran for the sum of \$250 with interest and costs. This money was advanced McCarran several years ago and was for the purpose of aiding in the capture of the thieves who broke the window of Blakeslee's store and escaped with a tray of diamonds valued at \$5000.
